School Needs Discussed

February Meetings Of County Committees Held

County Councillors held their February meetings during the week of February 14th to 19th. School Committee Members met on February 14th and dealt with a number of matters to clean up the 1954 business.

Mossleigh School
A letter from the Mossleigh Home and School Association was considered. The letter pointed out the state of the existing school buildings in Mossleigh and urged the Committee to consider a new school for Mossleigh as soon as possible. Committee members expressed themselves as being aware of the need for a new school building at Mossleigh and in tabling the letter for the present, noted that it would be discussed again at a later date.

Teachers' Salaries
The Committee interviewed the Salary Negotiating Committee from the Vulcan Local of the Alberta Teachers' Association and after discussing this matter for some time, and again on Friday evening, an agreement for a new schedule to take effect on September 1st was arrived at. The teachers will be allowed sick leave to accumulate up to 80 days, also an increase in salary of \$100.00 per year for those teachers who possess certain qualifications.

The School Committee decided to join the Canadian School Trustees' Association and authorized the payment of the 1955 fees. The Committee discussed the matter of its policy of the use of the school auditorium and took no action to amend the existing policy.

Insurance
Mr. Baillie, representative of the United Grain Growers Securities Ltd., discussed with the Committee the matter of insurance and explained the set-up of the new Alberta Association of Municipal Districts' Insurance Agency. The School Committee Members recommended placing insurance on

Total Receipts \$883

Public Library Spent \$464 On New Books in 1954

The financial statement of the Vulcan and District Public Library for the year 1954 shows total receipts of \$883, made up of mostly of grants from the government and the town and donations from various organizations. Of this amount, \$464 was spent on new books, the balance going for wages, maintenance and miscellaneous expenses.

Dr. G. H. Gibb is president of the library board, Miss Marian McKay is secretary and Mrs. R. Gold is librarian.

The detailed financial statement is given below:

Receipts —	
Government Grant	\$251.00
Grants from various clubs, organizations	297.75
Town of Vulcan	120.00
Memberships and fines	214.25
TOTAL	\$883.00
Expenditures —	
Wages to librarian	\$212.50
Maintenance:	
Power	25.60
Heat	52.80
Repairs, paint, lumber	56.50
Books	464.11
Sundries:	
Printing, stamps, stationery, advertising, exchange on cheques	57.26
TOTAL	\$868.77
Balance on hand	14.23

The Library Board wishes to express its appreciation to the Town of Vulcan for its support by a donation towards upkeep of the library per month. Clubs and organizations of the district which have donated to this worthy cause are also thanked. Included are: The Legion, Rebekahs, Sunshine Club, Ensign Ladies' Aid, Lions, Ferndale Chapter Eastern Star, Kirkcaldy W.I., Farm Women's Union, Good Deeds W.I., Elks, Royal Purple, Reid Hill W.I.

Assistant librarians are urgently needed. Anyone who feels interested should call at the library.

Bid Farewell To High River Priest

On the evening of Feb. 13, members of the Catholic parishes of High River and Brant, met in the Memorial Centre, High River, for an informal social evening, in which they gathered to say farewell to their priest, Rev. W. McAllum.

A crowd of over 100 gave evidence of the high esteem in which he was held. Charles Clark of High River was master of ceremonies and opened the evening by community singing. Mrs. L. Callahan and Mrs. C. Rendelman then presented a number of amusing contests, these being alternated by a variety of musical numbers.

Following refreshments, words of thanks and of well wishes were spoken to Father McAllum by C. Rendelman, president of the Holy Name Society, Mrs. J. Kelly, president of the High River Catholic Women's League, and A. Gings, on behalf of the Brant parish. Charles Clark of High River then paid sincere tribute to the splendid achievements of Father McAllum during his short six-months stay here, and predicted a great future for him in his chosen work. On behalf of all those present Father was then presented with an engraved wallet of money. He then expressed his thanks to all and his regret at leaving this, his first parish. Best wishes were expressed by all for success in his new parish at Picture Butte. He will be replaced by Father Lever who will be permanent resident priest in High River.

The schools with the Association, as the policies come up for renewal.

Lomond School
The Committee also discussed the

(Continued on Page 2)

Ladies' Auxiliary

Due to inclement weather the attendance at the regular meeting of the Ladies Auxiliary to the Canadian Legion, held Wednesday, Feb. 23, was very poor. Routine business matters were dealt with, and committee reports given. A total of \$84 was realized from the Bake Sale and Tea sponsored by the Auxiliary, in aid of the Polio Fund.

The application of Mrs. Shirley Roberts for membership in the branch was accepted and favorably voted on. She will be notified to be present at the next general meeting, for initiation.

Mrs. John Hunter, the immediate past-president, was presented with the Past President's badge, by the president, Mrs. Earl Carruthers. Plans were discussed for holding an Easter Tea and Bake Sale, on Saturday, April 9, in the Legion Hall.

Second Consecutive Win

Hansell Rink Wins High School Bonspiel and Oland Trophy

The Oland Construction Trophy was competed for at the annual high school bonspiel held recently, with the Hansell rink winning the trophy for the second consecutive year. The trophy was donated to the school last year by the builders of the new high school.

Members of the winning rink were Helen Richardson, lead; Patsey Robertson, second; Billy Hansell, third; and Jerry Sparks, skip. Hansell threw skip rocks.

Two events were run off, with the winners of each event playing for the trophy. The final game saw the Hansell rink defeat the Weatherburn rink of Joyce Sandberg, lead; Jim Walker, second; Glenn Joiner, third; and Bob Weatherburn, skip. Ice conditions

Public Speaking Contest Won By Colleen Haverty

Colleen Haverty was declared the successful contestant in the United Nations Youth Pilgrimage public speaking competition, sponsored by the local IOOF and Rebekah lodges, and held in the IOOF hall last Saturday evening. There was a fair turnout of interested spectators, and Harold Ulmer, of the teaching staff, introduced the youthful speakers.

Gerry McKay was chosen alternate contestant, in the event that Miss Haverty is unable to compete in further eliminations. Those entered in this year's contest were: Colleen Haverty, who chose as her topic "UNESCO"; Don Chow, "The Atom's Age"; Kathryn Nolte, who spoke on "UNICEF"; Gerry McKay, "The Alberta Golden Jubilee"; Irene Earl, "The Life of Churchill."

Every entrant gave an excellent address, which showed much study and coaching. All contestants were presented with gifts by Bassett's Jewelry.

Judges were Rev. C. D. Powell, Nanton; Rev. P. A. Wildeman of Vulcan, and C. V. Diggar, vice-principal of the Blackie school.

Miss Haverty will go to Blackie on March 4 to compete with other winners from eight district points.

First Bonspiel Held By Royal Purple

The first annual bonspiel of the Vulcan Lodge of the Royal Purple, resulted in Hannah Matlock's rink winning the first event and Ina Ohler's rink winning the second event.

Results and personnel of the winning rinks:

- First Event**
1. Hannah Matlock (skip), Nina Rutland, Margaret Swartz, Marge Middleton.
 2. Irma Middleton (skip), M. Carruthers, A. Lerohl, K. McKay.
 3. Selma Manning (skip), Nan Degenstein, Veda Boutland, Hazel Mainland.
 4. Donna Armstrong (skip), M. Atkinson, M. McIntyre, G. Fernley.

- Second Event**
1. Ina Ohler (skip), Helen Roe, Laura Holton, W. Crabb.
 2. Bea Richardson (skip), Eileen Moyer, Ruth Woodman, Thelma McIntyre.
 3. Margaret Hanna (skip), Gwen McKay, Irene Crabb, Ruth Orchard.
 4. Aedine Seaman (skip), Myrtle Loucks, Wilma Marshall, Lillie Schmidt.

February Births At Vulcan Hospital

The following births were recorded at the Vulcan Municipal Hospital during the month of February.

- Feb. 2, to Mr. and Mrs. Ernest Kiemle, Milo, a daughter.
Feb. 4, to Mr. and Mrs. Neil Giles, Vulcan, a son.
Feb. 8, to Mr. and Mrs. Elmer Leback, Vulcan, a son.
Feb. 14, to Mr. and Mrs. Gerald Smith, Vulcan, a daughter.
Feb. 21, to Mr. and Mrs. Walter Drzimata, Champion, a son.
Feb. 24, to Mr. and Mrs. Richard Hammer, Vulcan, a son.
Feb. 27, to Mr. and Mrs. Robert Burton, Champion, a son.

JEAN HESS

JERRY WYLIE

Shown above are the two candidates for the role of ruler of "The Midway", the ice carnival to be presented at the Vulcan Arena by the Figure Skating Club on March 12-13. The winner will be determined by ticket purchasers indicating their choice. If Jean Hess is elected, she will reign over the

Forty Rinks Compete

Vulcan Rinks Win Top Prizes At Annual 'Spiel

Forty rinks were entered in the annual open bonspiel sponsored by the Vulcan Curling Club last week. The cold weather assured excellent ice conditions and some topnotch curling resulted.

First prizes in all four events were won by Vulcan rinks. The No. 1 Event was won by the Harris Matlock rink, which went through the 'spiel undefeated; the No. 2 Event was won by the Evan Munro rink; No. 3 Event by the Dave Montgomery rink, and No. 4 Event by the Gale Atkinson rink.

First Event
Going into the finals, Matlock defeated Sanderson of Champion, Merv Smith of Champion defeated Drummond of Vulcan, Banks of Vulcan beat Loucks of Vulcan, Dumka of Vulcan beat Bruce McKay of Vulcan.

In the semi-finals, Matlock defeated Smith and Dumka defeated Banks, Matlock winning the final against Dumka.

1. Harris Matlock (skip), J. Moyer, Bob Haga, Jack Black.
2. Neil Dumka (skip), Dave Crabb, Len Northcott, Bob Bertrand.
3. Merv Smith, Champion (skip), Roger Jensen, Harry Smith, Jensen Sr.
4. Bev Banks (skip), Warren Banks, Slim Adair, R. Graham.

No. 2 Event
Going into the finals, Art Jones beat Lloyd Graham, Roy Fulton beat Mickey McKay, Switzer of Blackie beat Dave Montgomery, Evan Munro beat Ross Walker.

In the semi-finals, Fulton beat Jones and Munro beat Switzer, Munro then beating Fulton in the final.

1. Evan Munro (skip), Bill Munro, Jim Williams, Evan Williams.
2. Roy Fulton, Fred Mensinger (skip), Andy Knive, Clare Dunham.
3. Switzer of Blackie, (Personnel of rink not available).
4. Art Jones (skip), Bob Middleton, Blaine Middleton, Charlie Boutland.

No. 3 Event
Going into the finals, Howard Spaeth beat Gale Atkinson, F. Armstrong of Milo beat John Wolfe, Stan Kehr beat Jim Jensen, Dave Montgomery beat Mickey McKay of Brant.

In the semi-finals, Armstrong beat Spaeth and Montgomery beat Kehr, Montgomery beating Armstrong in the final.

1. Dave Montgomery (skip), Doug Paris, Lyle Graham, Mel McCune.
2. Floyd Armstrong, Milo; D. Delitz (skip), Bill Delitz, Art Nelson.
3. Stan Kehr (skip), Dave Smith, Weldon Graham, Bill Androsoff.
4. Howard Spaeth (skip), Bill Hansell, Owen Fulton, Brian Loucks.

No. 4 Event
Going into the finals, Prentice of Milo beat Ed Kehr, Sanderson of Champion beat Loucks of Vulcan, Atkinson beat Ross Walker.

In the semi-finals, Prentice beat Sanderson and Atkinson beat Walker, Atkinson defeating Walker in the final.

1. Gale Atkinson (skip), Jim Clark, Earl Erickson, Walter McDermott.
2. Prentice (skip), Ray Fernley.

Legionnaires Down Champion 8-2

Vulcan Legionnaires rolled to their fifth straight victory on Sunday, trouncing the Champion Stubble Jumpers by an 8-2 count. Playing without first-stringers Gorbous, Boutland, and P. Walker, Legionnaires brought in members of the Lions juvenile team and showed plenty of drive and hustle in winning the game. The game was featured by brilliant netting by Vulcan's Jerry Smith, aided by a steady defence.

Vulcan scorers were Hank Buehler with three, Max Kehr with three and Roger Roebuck with two. Champion goals were scored by M. Jordan and R. Hummel.

Vulcan lineup: Smith; Garvin, R. Allen, Kehr, H. Buehler, R. Roebuck, B. Dann, J. Swartz, Schneider, Larkins.
Team manager Allan Walker announced that the Lethbridge Army team would be in Vulcan for a game Saturday night. On Sunday, a broomball game will be played between the Lions Club and the Legionnaires, with net proceeds for a players' benefit fund.

THE WEATHER

Below-zero weather still prevails with the mercury dropping to 18 below Tuesday night.

Starting April 24

Will Use Dayliners On Lethbridge-Calgary Run

Gleaming stainless steel Dayliners, the newest look in branch line rail cars, will replace six steam trains on the Canadian Pacific Railway between Lethbridge and Calgary and between Medicine Hat and Lethbridge starting April 24th with the summer schedule. It was announced here today. The switch will follow by eight months the inauguration of Dayliner service in the West, on the Edmonton-Calgary run last August.

Dayliners running between Lethbridge and Edmonton with a break at Calgary will be following a historic route, the C.P.R. pointed out, for they will travel where the Old North Trail was worn into the prairies from Fort Benton in American Fur Company territory to the Hudson's Bay Company's Fort Edmonton. Indian travois, Red River carts, bull and mule trains and horse stage went over this route before the steam locomotive, now itself making way for an RDC (rail-diesel-car).

Schedule details have yet to be worked out on the basis of connections with new transcontinental schedules set in a week-long time-table meeting which was finished here today. At the same time Canadian Pacific Express Company will develop schedules for new truck service between Lethbridge and Calgary where the new Dayliners will carry no express and see if additional trucks are needed between Medicine Hat and Lethbridge where the Dayliner will give express service.

Generally the Dayliners will give 2½ hour service between Lethbridge and Calgary where best present time for steam engines is 4½ hours. Between Medicine Hat and Lethbridge the target is 2:10 hours, a reduction of 1:05 hours on the best steam run now.

Dayliners for Lethbridge-Calgary service will be the RDC-2 type with seats for 70 passengers and space for baggage and the Medicine Hat-Lethbridge run will be handled by an RDC-3 carrying 40 passengers, baggage, express and mail. The Dayliner with which the pioneer road opened this type of service for the West between Edmonton and Calgary is an RDC-1 with space for 39 passengers and only racks for hand luggage.

The Lethbridge-Calgary cars will not carry mail.

Mail service by rail will be continued on the Lethbridge-Medicine Hat run.

In TB Competition

Vulcan Grade XI Class Writes Prize-winning Essay

In province-wide competition, the Grade XI class of the Vulcan High School has won first prize in the 1954 Tuberculosis Essay Contest. The award carries with it a cash prize of \$130.00 and a silver trophy.

This annual essay competition is sponsored by the Alberta Tuberculosis Association. The topic of this year's essay, "Public Health and T.B. in Alberta", was designed to cover tuberculosis as a social disease and to show how government and private agencies work together to handle this public health problem.

The work of gathering and classifying material for the essay submitted by the Vulcan Grade XI students and of editing and rearranging it into essay form was done by the students themselves as a class project directed by their teacher, Mrs. M. L. Todd.

The prize money, \$100 for the school and \$30 for the classroom, will be used to purchase some piece of school equipment such as a tape recorder.

Essay contest winners throughout the province were as follows:

Grade seven, Fort Kent School; Grade eight, Stanley Jones School; Calgary; Grade nine, Sunalta Junior High School, Calgary; Grade ten, Peace River High School; Grade eleven, Vulcan School; Grade twelve, Bonnyville School. Prize winners in the One-Room School competition are: Chinook School, Kermaria School in Edmonton and Dorothy School in Dorothy.

4-H Club Winners Receive Awards

The regular February meeting of the Vulcan 4-H Grain Club was held at the home of Warden Budd, Monday evening, Feb. 21.

It was decided that the members should attend the Calgary Junior Field Fair on March 4. Members are asked to meet at the Corner Store, at 9:30 a.m. and transportation will be arranged.

Hugh Michael, District Agriculturist, presented the winners in the wheat competition with cash prizes. On behalf of the Canadian Bank of Commerce, Cecil Johnson of the Vulcan branch presented John Graham with a beautiful engraved silver tray, an award for the highest efficiency in his club.

Lunch was served by Mrs. Budd, assisted by her daughters, Barbara and Beverly. Since the storm had struck, making it inadvisable to leave, games were played by the boys. Canasta was enjoyed by the parents, until it was considered safe to return home.

The next meeting will be held at the home of Cody Whiteside.

Services Held For John Dorch, Pioneer Farmer

Masonic funeral rites were held at the Jacques Funeral Chapel, Calgary, on Friday, Feb. 25, for John Frederick Marius Dorch, 62, who died in Calgary on Feb. 21. Rev. John S. Clarke officiated and the rites were conducted by the members of the Vulcan Lodge, A.F. & A.M. Interment was made in Mount'n View Memorial Gardens.

Mr. Dorch was a pioneer farmer of the Vulcan-Kirkcaldy district and many neighbors and residents of the town attended the services in Calgary to pay their last respects.

Born at Brooklyn, John Dorch moved to this district to homestead in 1906 and, with his brothers, farmed south of Vulcan until retiring and moving to Calgary a year ago.

He was a member of the Masonic Lodge, the BPOE and the Canadian Legion, all at Vulcan. He was one of the original members of the Alberta Wheat Pool.

Surviving are two brothers, Henry S. and Peter, Calgary; an aunt, Petrea Anderson, Nanton.

Skating Trophy For Competition

The Vulcan Skating Club is donating a trophy for annual competition by skating groups from towns in this part of the province. The trophy will be awarded for highest points in single and relay racing and pair skating.

Invitations are being sent out to High River, Nanton, Lomond, Milo, Arrowwood, Champion, Carmanagay, Mossleigh, Vulcan, Blackie, Barons and Claresholm. The winning group would retain the trophy for one year, when it would be again put up for competition.

The first competition for this trophy will be held in conjunction with the Vulcan Skating Carnival on Sunday, March 13.

Regular Meeting Kirkcaldy W.I.

Mrs. Joe Main was hostess for the Kirkcaldy Women's Institute last Wednesday with nine members and seven visitors present. Miss Janet Ware presided over the meeting. Roll call was answered by name of a good home remedy.

A delegate was appointed to attend the District Conference in Lethbridge on March 10-11.

It was approved to send 25¢ per member for the ACWU Travelling Fund.

A resolution, re: a Rehabilitation Centre in Southern Alberta was drawn up, to be presented at the District Conference.

A letter written by Mrs. Ford to the Home and Country was read by the secretary.

Two new members, Mrs. Leonard Volsey and Mrs. Green were welcomed to the W. I.

Pennies for "Pennies for Friendship Fund" were collected. It was with regret that Dr. Peter Bramble was unable to address the meeting as arranged.

A delicious lunch was served by the hostess.

Scouts Win At Nanton Carnival

The Vulcan Scouts "Chuckwagon outfit" won first prize in this event at the Nanton Ice Stampede and carnival on Feb. 18.

Vulcan got off to a bad start in the first heat when one of the "horses" fell, but because of penalties received by Nanton in the last race, won by a good margin to take first prize of \$11.00.

GARAGE SERVICE

Open on Sunday from 10 a.m. to 8 p.m., and until 8 p.m. each day this coming week.

Status Growing

The growing status of weekly newspapers has been recognized by the Royal Bank of Canada in its most recent monthly newsletter, which is devoted entirely to weekly newspapers and their place in the Canadian way of life.

The newsletter says, in part:

"Use of weekly newspapers for advertising has been growing steadily, also among concerns that advertise in all parts of the country. These national advertisers are realizing that the good coverage given local tradesmen would be equally good for them.

"This is not to say that the weekly press is something new, but only that it is entering upon a new era, with advertisers and their agents showing new appreciation of its worth."

As a medium, a good weekly paper provides a unique way of reaching the public quickly, with thorough coverage of the market, and with undoubted value for the dollar cost.

Advertising rates in the weeklies are low. They are based, mainly, on steady use of good-sized space by local advertisers. You can buy an advertisement ten inches deep and two columns wide for an average of \$11 per insertion.

Canada's 963 weekly newspapers have a combined circulation of 2,457,140, the newsletter says. The growth of suburban communities was a boon to weeklies.

An article written by William H. Cranston, publisher of the Midland Free Press Herald, is quoted to show that the average paper represented in the Canadian Weekly Newspapers Association covers 82 per cent of the homes in its trading area.

Scout Movement Stresses Building of Character

(Contributed)

Each year on Feb. 22nd Girl Guides and Brownies throughout the world observe "Thinking Day." This day, the joint birthdays of the Founder, Lord Baden-Powell and the Chief Guide, Lady Baden-Powell, was chosen as the day on which to stress the International scope of the movement. This seems a very appropriate time to draw the attention of the public to the work done by the Scouts, Cubs, Guides and Brownies.

In Vulcan alone well over fifty percent of the boys and girls between the ages of eight and fifteen belong to one of these four organizations. There are also active groups in Brant, Arrowwood, and other nearby communities.

The movement had its beginning in 1907 when Lord Baden-Powell invited some boys to camp with him on an island in Poole Harbour. He divided them into small gangs (patrols) and gave them a code of honour like the knights of old. They were learning how to live, to make a living but how to LIVE. The next year the Girl Guides were organized, when the girls insisted on joining a Scout Rally. Later the boys and girls from eight to twelve were included in the Wolf Cubs and Brownies.

What does Scouting or Guiding do for the child? It builds character! It is the only organization which has the child through all his formative years. The only aim is the building of character. This is stressed over and over again in the reading material and training of the leaders. The games, tests and activities all point to the same ends. It gives the child friends of his own age. It makes him useful by having him earn badges for everyday things like Cooking and Life-saving. It makes him observant and sympathetic to the needs of others, for only in this way can he do a daily good turn. It improves health and gives free instruction in First Aid, Child Nursing, Swimming, Fire Patrol and many more useful activities. It develops unselfishness. Many parents and teachers have been astonished at the sudden improvement when a child tries to live up to being a Cub or a Brownie.

These are the ideals and aims of the Scouts, Guides, Cubs and Brownies. But the ones who carry them out are the leaders. It takes time, patience, a love of children, and a real belief in the movement

to be a successful leader. No one person can do a good job with too large a group. The leaders and the children need the public behind them. A certain amount of money is needed for expenses and here the local Association, to which every parent of a Cub, Brownie, Guide or Scout automatically belongs, takes over. It relieves the leaders all duties not directly connected with the running of his or her own Company.

Surely anyone would be proud to be associated with an organization which builds our future citizens and whose motto is BE PREPARED!

Do Grain Varieties Eventually Run Out?

By W. G. Malaher

There is a fairly popular belief that any variety of grain grown for a period of years tends to "run out", that is, to produce a smaller yield than was the case when the variety was originally introduced. To the extent that admixtures occur, or that there is a change in the disease picture and consequently the ability of a variety to resist disease, it may be true that yields decline. But beyond this, plant scientists assure us that, in the strict sense, a variety does not "run out" even over a relatively long period of time.

Experience has proven that, whilst changes may occur in the hereditary make-up of a variety, they are seldom great enough to reduce yields to any appreciable extent. Moreover, most changes take place at such a slow rate that they do not affect visible appearance.

It has also been demonstrated that varieties grown in tests at one location for a long period of time, fail to show any decline in yield. Thus as long as steps are being taken to keep a variety pure, through the provision of new foundation stocks, the danger of a variety breaking down or deteriorating, from the standpoint of yield, appear very remote indeed.

Progress: In 1946 there were 36 Canadian sailing vessels of 10 to 40 tons fishing Atlantic and Pacific waters. By 1952 none were left and all vessels of 10 tons or more were powered by diesel or gasoline engines.

EDMONTON REPORT

By Donald F. Smith
Special Correspondent

EDMONTON — If any one topic is to be chosen as occupying the most time of the Alberta legislative members last week, it must be the province's jail situation.

At the beginning of the week, before any of the opposition members had brought up the topic, Attorney-General Lucien Maynard made a full report on the January prisoner disturbances in the Fort Saskatchewan jail and outlined some of the plans for the new jail just northwest of Calgary.

Before a week was out, the Progressive Conservatives had introduced a motion asking for a judicial inquiry into the government's land transactions in connection with the Calgary jail.

But the members got closer to the subject than talking about it in the legislative chamber. They made a trip to Fort Saskatchewan, 20 miles northeast of Edmonton, and spent about three hours touring the provincial jail from the death and solitary confinement cells to the kitchens and storage facilities.

In connection with the "junior riot," the attorney-general said it was the brain-child of about 15 prisoners, all of whom had been charged with wilful damage, and one with arson who pleaded guilty to starting a fire in the jail store-room which caused most of the \$5,000 worth of damage, and was sentenced to two years in penitentiary.

Toward the end of the week most of the others appeared in court in Fort Saskatchewan and the magistrate gave them an opportunity to make their complaints, most of which concerned food and general conditions. After hearing the prisoners and pointing out that the best thing would be to stay out of jail, the magistrate added: "I accept the fact you undoubtedly had provocation, especially concerning the food."

The legislative members had eaten at the jail — but they had roast beef and gravy in the women's quarters and noted when passing through the men's kitchen that the main course meat was hamburger.

Mr. Maynard has told the legislature he is awaiting a report on food conditions to be made by the chief employed at the Belmont rehabilitation centre for alcoholics.

In connection with the Calgary jail, which Mr. Maynard reported would be a modern institution with more facilities for proper recreation and a special section for troublemakers, the Conservatives are querying the land juggling which has taken place.

Last summer, the government announced it had purchased land in the Chestermere Lake district, just east of Calgary, for the jail. Shortly after, the residents of the district protested against the proposed location and charged the \$144-per-acre price paid by the government was too much. They also said a middle party had paid considerably less for the same property only a short time before.

Late this fall, the government announced it had changed its mind and was buying some land northwest of Calgary for the jail. The man who owned this land is taking the Chestermere property off the government's hands.

Now, the Conservatives want to know more about the Chestermere transaction and are suggesting the government, which has stated there was nothing wrong with the deal, should welcome an impartial judicial inquiry.

W. J. C. Kirby, Conservative member for Red Deer, said answers should be given to such questions as how the middle party knew the land was "ideal" for a jail site; how and when the land was offered to the government for sale and why the price paid was so much more than the prices paid for other lands in the same district.

The legislature did consider other matters and a Liberal request for a commission to set hospital rates and recommend government grants was defeated after Health Minister Dr. W. W. Cross said the province pays 65 to 70 per cent of all hospital costs.

Calgary Social Credit Mrs. Rose Wilkinson summed it all up by suggesting the continuing growth of hospitals and jails was a sign of decline or civilization rather than progress.

Thatcher Wheat Still Predominates

The annual survey made by the Soarle Grain Company on the distribution of wheat varieties over the prairie provinces reveals that Thatcher, in 1954, still occupied far more of the wheat acreage than all the other varieties put together. Thatcher accounted for 64.80 per cent of the total wheat acreage of the three Prairie provinces, compared with 69.73 per cent last year. Rescue was again in second place with 7.23 per cent

County Meeting

(Continued From Front Page)

need for the addition of school facilities at Lomond and appointed a Committee, of Mr. McKay, Mr. McAllister, Mr. Schrag and Mr. Jorgenson to study an addition to the existing school and make a recommendation to the next meeting.

COUNTY MEETING

At the County meeting held on February 18th, considerable business was transacted.

Keth Fisher interviewed the Council in respect to the Blackie Seed Cleaning Association and discussed the matter of a contribution. It was noted that the Association required a full contribution of \$5,000.00 in order to completely organize the erection of the plant at Blackie. This would mean that a contribution of \$10,000.00 would be required from the Municipal District of Foothills at High River. It was decided to table this matter for a month until information was received in respect to the donation from the Foothills District.

A by-law authorizing the purchase of a culvert thawer for the sum of \$1,650.00, complete with trailer, was passed.

Nursing Service

Councillors discussed at considerable length the matter of the Lomond Municipal Nursing Service in the light of the boundary changes effective in 1955. No action was taken pending further information from the Foothills Full Time Health Unit.

The matter of municipal insurance was discussed. A motion was passed to instruct the Secretary-Treasurer to place all future insurance with the Jubilee Agency as it comes due.

C. H. Andrews was appointed Returning Officer in place of Bruce Alder who had resigned due to the fact that he expected to be a candidate at the forthcoming municipal elections.

Court of Revision

A motion was passed setting the date of the Court of Revision at March 30, 1955. The following Councillors were appointed to the Court of Revision: Donald B. Smith, Jack Deitz, J. M. McKay, J. E. Carlson and A. McAllister.

A by-law authorizing the purchase of two new Chevrolet trucks for use in hauling gravel was passed.

A by-law authorizing the purchase of a new Burrough's Book-keeping Machine was passed. Councillors discussed the matter of the Jubilee Celebration correspondence and tabled the matter for a month.

A motion to adjust the lease rental on cultivation leases on lands in the former Special Areas No. 4 from one-quarter crop share to one-sixth, retroactive to January 1st was passed.

Calf Vaccination

Councillors discussed the recommendation from the Agricultural Service Board that the County proceed with the enforcing of the calfhood vaccination and cited C. W. Loose, one of the Councillors, as failing to comply with the vaccination program. A motion was passed instructing the Field Supervisor of the Agricultural Service Board to proceed with the prosecution of Mr. Loose for failure to comply with regulations of the Bang's Restricted Area. Instructions were given to the Secretary and Field Supervisor to interview Mr. Brownlee and obtain his opinion and advice in this matter.

Mr. Loose retired from the Council Chambers during the time the voting on this motion was held. The motion was carried.

Councillor Resigns

Mr. Loose, Councillor for Division 4, tendered his resignation in writing from the office of Councillor for Division 4, to take effect immediately. The Council accepted Mr. Loose's resignation with regrets.

It was moved by Mr. Green and carried that the office of Councillor for Division 4 be declared vacant and that C. H. Andrews, Returning Officer, be instructed to advertise a nomination meeting to be held on Tuesday, March 8th, from 3:00 to 1:00 o'clock in the afternoon in the County Office, Vulcan.

Jack Deitz was appointed Chairman of the Municipal Committee to complete the unexpired term of Mr. Loose.

Carmangay

Mr. and Mrs. Ben Brown returned Saturday from Helena, Montana, where they spent the last two weeks.

Mrs. Ethel Collier and Mrs. Tom Swan and son Ronny returned from a ten day visit in Vancouver where they visited with their sister.

Mrs. Leonard Back went to Edmonton where she attended the Guest weekend at the University. David McIntyre left Thursday for Edmonton to visit the University during the guest weekend.

Mr. and Mrs. Ray Fath were guests at the home of the latter's parents, Mr. and Mrs. Ed, Brownell.

Lynda Hubka had the misfortune to sprain her knee on Friday.

Patients in the local hospital this week are: Jack Smith, Mrs. Russell, Mr. Olson, Miss Steaher, and Mr. Gutlich.

Friends will be pleased to hear that Mrs. White of Macleod hospital has shown great improvement this week.

The West County Women's Club met at the home of Mrs. Beulah Hubka on Feb. 16 with nine members present. Very little business was discussed. Marj McFarland demonstrated the making of rick-rack jewellery which was very interesting. The raffle was won by Alice Knight. The next meeting will be on March 16th at the home of Mrs. Alice Knight. Lunch was served by the hostess and assisted by Florence McLeod.

Three ladies rinks from Carmangay attended the bonspiel in Champion on Feb. 18 and 19. Rink skippered by Dora Bond won first in

the First Event. Mickey Moore's rink came in first in the Second Event and Marj Beesaw rink came in second in the Third Event.

Two rinks from Carmangay went to the Lions Bonspiel in Champion last Saturday. Ed Wattwood's rink consisting of Dr. Szachely, Mel McLeod and Bob Hubka came in second. Loren Rommelle's rink consisting of Bill Ross, Wally McIntyre and Bob Parlar.

The ninth annual Lions b'n dance program was held on Friday 25th, in the Community Hall. Despite the poor weather the hall was packed to see the annual western program. Those taken part were Mr. and Mrs. Harold Nowlin, Mr. and Mrs. Paul Plourd, Ivan Ohler, Mac Baldwin, Vernon Soderquist, Keith Clarke, Lorey Clarke, Rudy Hubka, Vivian McFarland, Barry McFarland, Lynda Caye Flitton, Ray Flitton, Chris Hubka, Ricky Fraser, Connie Stetner, Joy Laczso, Lenora Baldwin, Leonard Isaacson, Lorne Russell and accompanist.

This program will be taken to Champion on Friday, March 4.

In the Ladies Invitational bonspiel held in Carmangay on Feb. 23rd, winners of the events were as follows; 1st Event: Mrs. Walker of Vulcan; 2nd, Mrs. Eesaw of Carmangay. 2nd Event: 1st, Mrs. Doreen Smith, Carmangay; 2nd, Mrs. Doreen Holmes of Champion; 3rd Event: 1st, Mrs. Dora Bond of Carmangay; 2nd, Mrs. Doreen Holmes of Champion. 4th Event: 1st, Mrs. McLenan of Lethbridge; 2nd, Mrs. Dora Bond of Carmangay.

The Carmangay C.G.I.T. held a very successful rally on Feb. 26th and 27th. Visiting groups came from Picture Butte, Iron Springs and Lomond. From the time the smiling girls from Picture Butte poked their noses in the door until Sunday afternoon there was never a dull moment. Miss Kay Frost, who worked in the mission fields at Winnipeg for six years, was the guest speaker. She spoke on the theme: "If You Were the Only Girl in the World." She stressed the three C's, conscientious, correctness and conscious as ways to get in tune with God.

After a lovely dinner served by the mothers, the girls divided into groups for handicraft. The girls could do copper wire, jewellery clay modelling, or learn new ideas to take back to their own groups. Uniform inspection was next after which the Lomond girls taught us a very enjoyable game. Slides called "C.G.I.T. in Alberta" were shown. Supper was served by the W.A. It was drawn to a close when the girls attended church in uniform.

Bridal Shower

Sixty ladies gathered at the Carmangay United Church basement, for a bridal shower in honor of Miss June Volk, bride-elect, Monday, Feb. 21st. Mrs. Walter Griffin was mistress of ceremonies. The wedding march was played by Mrs. Fay Smith as the bride entered. A carnation corsage was pinned on the bride by Mrs. Geo. Davies, as a hearty welcome was extended to everyone by Mrs. Griffin. Program consisted of group games, skits, readings, vocal duet, and was enjoyed by all.

A beautiful decorated wagon with a miniature house, full of lovely gifts was drawn in by Mrs. Edwin Row and Mrs. Harold Cutforth, former schoolmates of the bride-elect. Mrs. Row made the presentation of the gifts wishing the bride-elect much happiness. The bride-elect responded fittingly. Because of the storm the bride did not open her gifts.

A lovely lunch was served by the hostesses, Mesdames: Zina Smith, Rhoda Minby, Emma Smith, Doreen Smith, Carrie Davies, Merle Green, Rose Miller and Shirley Griffin.

Care of Thanks

The Carmangay C.G.I.T. would like to take this chance to say thank you to all the people who helped to make the rally a success. We certainly did appreciate all your help and kindness.

In the first quarter of 1954, 451 Canadians met death and another 10,508 were injured on the nation's highways.

Agriculture Alberta's Largest Industry

Food, one of our basic necessities, comes directly from the soil, or from animals that consume plants such as grass, clover and grain. Life depends upon the soil, and the uses to which it is put. Agriculture is the most general occupation of man. It remains Alberta's most important industry.

Alberta's Department of Agriculture makes every effort to help farmers with their problems, to promote interest in agriculture and to encourage the best use of our rich soil resources. The potential of Alberta agriculture keeps the department's eye on the future. Its more immediate task is to create an environment that will enable farm families to maintain a high standard of living and preserve the qualities of their lands. As agriculture in Alberta expands, this will remain the basic responsibility of the department.

Alberta's farm population is approximately 345,000 living in about 84,000 farms. Total value of all agricultural production in 1953 was in the neighborhood of \$696,000,000. However, farm income for any year is less than total value, due to a substantial part of field crops being utilized by the farmers themselves in the production of livestock and poultry. Actual cash income to Alberta farmers in 1953 is calculated at approximately \$492,000,000, a reduction of four per cent from the previous year.

We have in Alberta about 68 million acres of land suitable for farming. The potential area of arable land in Alberta exceeds that of any other province. About 44.5 million acres are now occupied and some 22.3 million acres improved. Each year about seven million acres are sown to wheat and slightly less to coarse grains, while some six million acres are in summerfallow. The balance is chiefly mixed grains, seed and hayland.

Alberta has long been noted for its irrigation development, and the Department of Agriculture is assisting this work financially and technically. Much of the Province will remain important for ranching and dry farming only, but it is estimated that about 2,000,000 acres within our borders are suitable for highly specialized irrigation farming. At the present time projects involving 789,000 acres are operating successfully. Projects under construction or those to which immediate consideration is being given total another 951,000 acres. Other developments which will bring water to another 400,000 acres.

Since irrigation multiplies the carrying capacity of the land and greatly increases its productivity, projects now developed and those planned for the future are of great importance to the stability of the industry and indeed to the entire economy.

Agriculture in Alberta is making an important contribution to the Province and to Canada. It will continue to do so, in ever increasing measure, as the years go by.

ENSIGN

(Held Over)

The Ensign Ladies Aid met at the home of Mrs. Alex. Hagen for the February meeting with 12 members and two visitors present. The devotional was led by the president, Mrs. C. Matlock. The minutes and financial report were read and approved. The business consisted of voting \$10 to the Children's Hospital Aid Society; \$10 to the Institute for the Blind and \$100 to the Ensign Ladies Community Club, towards the furnishing and remodeling of the Ensign Hall. There were two surprise boxes as last meeting was missed, and winners were Mrs. Smith; donated by Mrs. R. Markert; and Mrs. A. McIntyre; donated by Mrs. C. Matlock. Plans to set another day for the tea which was postponed was tabled till the March meeting. Miss Jessie Welsh was welcomed as a new member. The March meeting will be held at Mrs. Harold Hansen's. A lovely lunch was served by the hostess, assisted by Mrs. McIntyre.

ARMADA

The past week we have all experienced the coldest weather of the winter, but we only have one more month of winter ahead of us so maybe this one will be a good one.

Last Saturday night Mrs. Gordon Lucas sponsored a bridge party at the home of Mrs. S. Henrickson, with five tables of bridge. The winners of the evening were as follows: Ladies high, Mrs. Bob Stokes; Ladies low, Mrs. Birkenes; Men's high, Maurice Henrickson; Men's low, Bob Stokes. A delicious lunch was served which brought the evening's entertainment to an end.

The dance that was to be held last Friday was cancelled due to the cold weather.

The school children of both schools had an extra holiday due to the illness of their teachers.

There will be a Legion card party this Saturday night at the hall.

Another TV set has arrived in the district. This one at Raymond Beagle's.

With The District Agriculturist Hugh Michael

Treatment of Pruning Wounds

Avoid large cuts whenever possible. The larger the wound surface, the longer the period required to callus over, and the greater the opportunity for entrance of wood rotting fungi. Where internal woody tissues are healthy and capable of callusing over quickly, cuts smaller than three-quarters to one inch in diameter are seldom given a dressing.

Experience reveals that spring made pruning wounds heal over better than those made at other times of the year. March, April and early May are considered opportune times to prune trees on the prairies. Summer is next best. Fall and late fall are definitely not recommended for the prairies, callus formation on live wood occlude. Winter pruning while the wood is frozen is not advocated because of mechanical damage to tissues.

Wound dressings are applied to the cut surface in order to seal it, over and provide protection against fungus until callus tissues covers the wound. Tests have shown that callus formation on live wood occurs faster when dressings are applied one week to ten days after pruning. An 8-year trial by the United States Department of Agriculture showed good results from common shellac and a mixture made by heating 8 parts by weight of resin with 3 parts by weight of raw linseed oil. Under colder prairie conditions shellac tends to crack & Bordeaux paste made from adding Bordeaux powder to raw linseed oil to the consistency of a thick paint has been widely used in Minnesota. At Morden a preparation consisting of white lead with sufficient linseed oil added to form a thick paste and darkened with lamp black has given good results. Never use paints which contain turpentine or benzene because of possible injury to growing tissues. At present commercial preparations are being used with satisfaction. Asphalt base material such as Braco, Horn Tree Paint, Tree Seal, etc. have been employed with success. Wounds that do not heal over readily or very large wounds, should receive a fresh coat of dressing each year.

Trees Available for 1955 Planting
A good supply of the following trees are still available for spring planting — green ash, Manitoba maple, lodge pole pine, caragana, and hardwood cuttings of Russian poplar.

Limited quantities of Siberian larch, mayday, dogwood, sand-cherry, apple seedlings, Chinese birdberry, and native plum seed-

lings are still available.

Anyone interested in ordering any of the above should make application without delay to the nearest district agriculturist.

H. S. Burns, Field Supervisor

Coyote Control by Compound 1080

Having been asked by farmers and ranchers in the east Minto district as to the possibility of having the above mentioned poison used for the extermination of coyotes, I might say that if enough farmers are interested, it would be in order to have a delegation or a petition from that area to approach your Agricultural Service Board. They in turn can have the Council ask the Dept. of Agriculture at Edmonton for permission to have this used in the County of Vulcan. The actual work of putting out the poison is done by an expert from the Department.

If the initial work in this regard is started soon and if the County and the Department approves, the program would be ready to get

into action by next November and December, the time when the poison is laid out.

The policy of Cyanide guns and Strychnine pellets is already instituted in the County and anyone desiring these materials can have them at this office. There is a deposit to be paid for the Cyanide guns, which is returned when the guns are returned, but there is no deposit required when taking out the pellets and other materials. We keep these on hand.

Library Notes

Hours Open:

Tuesday afternoon from 2 to 5
Saturday afternoon from 2 to 5
and 7 to 9.
Monday, Thursday and Friday afternoons from 4 to 5.

One of the recent additions to the Vulcan library is, "That Reminds Me," an autobiography of Allan W. Barkley. Mr. Barkley has followed the tried and true recipe in U.S. politics and has risen from the log cabin to the Vice-Presidency of the United States.

First elected to Congress in 1912, he has known all the important figures in both World Wars, the New Deal, and the turbulent times, since the close of World War II. He has been widely loved not only in Washington, but by a large section of his fellow citizens.

For any one who cares to look behind the scene of contemporary history, this book should prove of great interest.

This, coupled with the pungent quip of a prince of raconteurs makes it indeed a delightful reading; not a great book but an interesting one.

'55 **Ford V-8**

Completely NEW body... totally NEW styling
NEW overhead-valve V-8... NEW ball-joint suspension

The car that changed the industry
sweeps ahead again!

Yes, they're here now—in your dealer's showroom—the most exciting models of the year!

Ford's success, year after year, has forced the whole automotive industry to change its ideas about style, performance and ride... and again in 1955 Ford is far out front with sweeping and significant changes!

Ford is totally new in beauty, with a completely new body and crisp, clean, modern styling, inspired by the famous Thunderbird—styling that is reflected in all fifteen new models and reaches its peak of distinction in the brilliant new Fairlane Series! Ford interiors, too, are far more luxurious, far more distinctive than anything you've seen before!

'55 Ford is totally new in performance... Trigger-Torque performance from a proven Y-Block overhead-valve V-8 engine, with the flashing power and instant responsiveness that mean far greater safety in today's driving situations. And this great new overhead-valve V-8 engine—product of the experience gained in building more V-8's than all other manufacturers combined—is yours in every model in every series—as standard equipment!

Ford is totally new in ride... with completely new Angle-Poised Ball-Joint Front Suspension that cushions road-shocks coming from in front as well as the straight up-and-down shocks. This entirely new suspension gives you the smoothest ride and easiest steering you've ever enjoyed!

15 new, longer, lower models in 4 stunning series...
Fairlane, Customline, Mainline and Station Wagon...
style-inspired by the famous Ford Thunderbird

New instant responsiveness for greater safety...
with 162-Hp. or 182-Hp. overhead-valve V-8!

Totally new shock-free ride
with ball-joint front suspension

...and the most beautiful and glamorous
interiors ever designed!

with a proven **V-8**... standard equipment in all models

162-Hp. standard; 182-Hp. Y-Block Special V-8 available with
Fordomatic Drive in Fairlane and Station Wagon models

Reports Presented At Annual County Meeting

CHAIRMAN'S REPORT

J. E. Carlson

Once again it is my privilege to give you the Chairman's Report at the ratepayers annual meeting on the activities and work of the County Council for the year.

I do not wish to burden you with a lot of data and figures from our financial statement. A study of pages four and five, which show the amount of revenue and expenditures, pretty well tells the story of our operations for the year. You will note that we had a surplus of \$12,000.00 as against a deficit of \$19,800.00 in 1953.

The County's expenditures were \$1,088,759.60 this year against \$1,009,110.80 in 1953, or an increase of some \$80,000.00. The new territory added in 1954 accounts for a large part of the school increase of \$111,000.00 over last year. Public Works expenditures were about \$60,000.00 less in 1954 than in 1953. Other payments are about the same.

Tax collections have been maintained at about the same percentage as in 1953, despite the curtailed wheat marketing and the severe hail storm last August. Collections amounted to 95.05% of the current levy.

As a result of the hail losses,

many areas are being paid Prairie Farm Assistance. Townships are being received by the P.F.A. Board and as the results are received in the office, the information is published in the Advocate. I believe that there are a few townships yet to be heard from. Information desired about any special townships or localities can be obtained from the P.F.A. Office in Edmonton.

The Revenue Surplus account is now \$152,959.34. Liquid assets of cash, bonds and accounts receivable amount to slightly more than the liability to the bank and accounts payable. On the whole, the County's financial position is considerably improved over 1953.

I would like to refer for a few minutes to the new assessment which has just been completed. Assessment notices were mailed on February 10th.

Our Assessor, J. J. Miller, is here today and will have something to say about the manner in which the values were established and the various factors which are considered in assessing a piece of land.

The Assessment Commission of the Department of Municipal Affairs has developed a uniform basis of assessing the whole province and

it is the desire that all counties and municipal districts will be assessed on the same basis.

It has been apparent to the Council since the County was formed on January 1st, 1951, that a complete new assessment was very necessary to ensure that the taxes were equitable. Our County is made up from parts of five areas, assessed by five different assessors. The previous assessment was made in 1945, and while an attempt was made to equalize the values, the assessors held varied opinions regarding values. The year following the formation of the County, that would be 1952, the Council discussed the matter of a new assessment with the Director of Assessments and was about to have it done when the announcement of the formation of the Co-Terminal Boundary Commission was made. Our boundaries were finally established in January, 1954, and we immediately undertook the general assessment.

The general picture shows that assessed values have increased substantially in the eastern part of the County. The many changes in values, lower as well as higher, clearly indicates how badly this new assessment was needed. I think most of you who will study the assessment will agree with this.

I would suggest that you discuss here only the general policy. Individual questions or cases can be more satisfactorily dealt with by inspecting the record at the office.

The overall assessment has increased approximately 15%. The total land assessment is, in round numbers, \$14,000,000.00. The first question which you will naturally ask is: "If the assessment is increased 15%, will the mill rate be lowered 15%?" The answer to that is up to the Council when the 1955 estimates are considered.

My own stand on the question of budgeting to ensure a reduction. If this is done a great many of you whose assessments have been slightly increased will have less taxes in 1955.

On December 31st, 1954, the County of Vulcan completed four years of operation. In accordance with the provisions of the County Act the electors were given the opportunity to vote on whether or not to retain the County form of government. This vote was held on January 15th, 1955. We were pleased that the electors decided to retain the county government.

The idea was new and many people were skeptical about a change. Our results have shown that this form of local government is an improvement. I have no doubt that there will be amendments to the County Act which will make it more workable. There are now seven counties operating in the province and a number of applications for counties are in the Department at the present time.

We are living in an age of advancement. Our province is developing and growing at a tremendous pace. School population is growing at a rapid pace in the rural areas as well as the cities. People need more and better services, especially roads, to serve our school system and for marketing facilities. All these things cost a great deal of money. The outlook for 1955 appears brighter. The day before yesterday, Thursday, the Provincial Legislature opened. The Throne Speech promised more grants for education. It is hoped that a substantial reduction can be made in the school mill rate and the other rates held in line.

In closing my report, I wish to thank the Council for its support and the harmony which has prevailed throughout the year. I wish also to thank the County officials and employees for the manner in which they carried on their work during the year.

MUNICIPAL REPORT

County Chairman J. E. Carlson announced that Councillor C. W. Loose, chairman of the municipal committee in 1954, had tendered his resignation to the council and that a by-election to fill this vacancy would be held in the near future.

In the absence of Mr. Loose, Secretary - Treasurer D. D. McQueen gave some statistics regarding road work in 1954 and additional data has been made available to the Advocate by the public works department of the County.

Road construction figures show 23½ miles of road built by scraper, 42 miles built by elevating graders, and 25 miles graded or regraded by Richardson blades.

A total of 34,721 yards of gravel was crushed. Of this, 529 yards was sold to farmers, 1,026 yards stock-piled, and the balance spread on 41 miles of road at the rate of 800 yards to the mile and on 21 additional spots and patches. In addition, 7,886 yards of pit run gravel was hauled and spread on 132 different patches and stretches of roads.

Road patrols spent a total of 472 hours and FWD trucks 37 hrs. on snow-plowing. Mowers spent a total of 1,024 hours mowing road allowances.

Maintenance figures show that eight motor patrols spent 9,192 hours on 14,076 road miles of County roads for an average of 1,224 hours each on road surface maintenance. There are approximately 3,000 miles of roads in the County.

Patrols spent a total of 602 hours back-sloping. On maintenance work such as patch work and putting in culverts, patrols spent 138 hours, crawler tractors spent 2,107 hours and FWD trucks spent 2,478 hours.

Of Many Things

By Ambrose Hills

THE RICH MEN

When I was a lad, I thought the man who owned the corner store in our small prairie town must be very rich indeed. One look at the chocolates, the all-day suckers, the rows and rows of yard goods, the big round cheese, the bags of sugar — that convinced me. To own so much the man must be rich. Everybody in town spending money with him — what a wonderful life!

Because I bought quite a bit of his candy and chocolates, I was soon introduced to the town dentist. He pulled some teeth, bored holes in others, and sent father a bill for \$23.00 I was amazed. All that money just for pulling a few teeth and stuffing a few others? The man must make a fortune!

Richest man of all, I thought, was the owner of the local Hardware Store. I'd look at the rifles,

in his window, and wonder how so much money could be charged for a bit of wood and metal. Beyond doubt, the hardware man was another Midas. All he had to do was stand behind the counter and take in money. How I envied him!

Then our baseball club bought an advertisement in the weekly paper. The publisher charged us 37 cents an inch! I realized at once that the editor of our hometown paper must also be a millionaire — getting more than half a dollar for an inch of paper and ink!

Then, as I got older, some of these wealthy citizens passed on. The corner merchant left assets barely enough to support his widow. Even the dentist, when he died, turned out to be of very modest means. The hardware merchant left a pretty large inheritance — twelve thousand dollars, folks said. The newspaper editor is still alive and printing, but if he's as rich as I thought he was, how come that same old second-hand Buick is parked in front of the print shop?

I noticed the other day that big corporations today average only about four cents profit on a dollar of sales. Retail profit in most towns even less than that.

It's too bad it was so wonderful to feel you were shopping with millionaires, and that some day you, too, might own a corner store and pile up millions of your own. But as you grow up, you learn. The big danger, is that some Canadians haven't grown up. They still see profiteers behind every counter. They can't face the fact that profits are low. Why, if they admitted it, what would there be to grumble about? Poolroom politics would dry right up without the profiteers to be lambasted!

Fish from northern lakes in Manitoba and Saskatchewan are hitting the big time — markets in Montreal and New York — as a result of pushing of new rail lines into Manitoba's Sherridon-Lynn lake area.

BRANT

(Held Over)

Ladies Aid will meet at the home of Mrs. Sellers Thursday afternoon, March 3.
Home and School Association will meet Tuesday evening, March 1st in Brant School. Mrs. Frey, from High River will be the guest speaker on the subject of forming a home and school council. Also for entertainment a film will be shown on "Holiday at School" at Banff School of Fine Arts, alternative "What You Make It". All entries for the "Varley Show" will

be held March 25 must be handed in before March 11 to one of the committee, Mrs. Henry, Mrs. Andrews of Ensign, Mrs. Thompson or Mrs. Knapp.

Local bonspiel started last week with 20 rinks competing. First event was won by Watson's rink; 2nd Thompson's rink. Second event won by Watson, 2nd by McKay rink. Third event was won by Ted Olsen, 2nd by Lawson rink.

The Birthday Club called on Mrs. Charlotte Green Monday evening to honor the occasion of her birthday. Ten members present. The evening was spent playing "Scrabble". A delicious lunch was served by hostess Mrs. Green and Mrs. Evelyn Ferguson made the birthday cake, nicely decorated with Valentines.

Friends will be pleased to hear that Jeanette Graham is back to school after spending three days in High River hospital.

F/O Dakin and wife and family from Claresholm spent Sunday visiting Mr. and Mrs. Gordon Thompson and family.

Miss Arlene Parker who underwent an operation Sunday morning on her ear in the Brooks hospital, came home Thursday afternoon and doing as well as can be expected. She expects to remain home for a week to recuperate before going back to Patricia where she is on the teaching staff.

Friends will be pleased to hear that Cliff Fletcher, who underwent a major operation in Calgary General hospital, is home again.

Mrs. Louise Daniels from Portland, Oregon, is visiting her brother, Bill Fletcher and family.

Mrs. Sophie Jorstead had a surprise visitor the other day of a little yellow butterfly. It flew in her door and apparently is there to stay. Maybe this is the first sign of spring.

Mrs. Mabel Schultz is a patient in High River hospital.

Mr. and Mrs. S. Dixon motored to Calgary Thursday morning where Mr. Dixon attended a fish

& Game convention for two days. Mrs. Edgerton from Blackie, who underwent a major operation in Calgary Holy cross hospital a week ago is recuperating at the home of her mother, Mrs. B. Prater.

The open bonspiel got underway on Friday with eight rinks competing, two local rinks and six from Blackie, High River, Ensign and Vulcan. Ladies curling club served lunch. Eva McKays Brant rink came first in First Event; Marion Smiths' Brant rink second. Mrs. Larson's rink, Ensign, 2nd in Second event; Mrs. Linguist's rink Blackie, 1st, in Second Event.

Two high school rinks from Brant curled in Arrowwood High School bonspiel on Friday, Fred Burleys rink winning third.

The President of Red Cross, Mrs. Yvonne Christofferson accompanied by Mrs. Jean Olsen, attended Red Cross Branch meeting of the Foothills zone in High River on Friday afternoon and reported a very interesting day.

The Red Cross Campaign will start on March 1st.

Mrs. Floyd Olsen was hostess to a supper-party Monday evening, sponsored by Don Slater of Calgary of "New Life Stainless Steel ware." The evening was interrupted by a blizzard. Everyone got home but Don.

The draw for TV set raffled by curling club will be made at the dance on Friday night, March 11.

Frank Fletcher was curling in Lethbridge last week.

Mr. and Mrs. Karl Christofferson arrived home Tuesday from Oshawa, Ont., sporting a new Buick car.

Mr. and Mrs. Earl Bateman are sporting a new Plymouth car.

Mrs. George Hamilton from Calgary is visiting the past week with Mr. and Mrs. M. McKay.

The 'flu is quite prevalent in Brant area district at the present time.

Miss Maurine Olsen had a number of her young friends in on Sunday afternoon, in honour of her 15th birthday.

One rink from Brant competed in the Lethbridge bonspiel. Brant Parker, Earl Bateman, Bill Knapp and B. Brown from Ensign. No wins.

Two rinks from Brant competed in Vulcan bonspiel this week. Bill Burley, R. D. McDonald, Jack Fletcher and Frank Fletcher, 2nd rink; M. McKay, G. Hamilton, Alf. Lawsen and B. Ball. No wins.

Red Cross will meet at the home of Mrs. Sellers on Wednesday afternoon, March 9th.

MOSSLEIGH

(Late)

The 12 and under Hockey team entered the tournament held in Gleichen last week-end. Their game was with Bassano, losing the game 3 to 2, over-time. J. Campbell scored both points for Mossleigh. This same team journeyed to Arrowwood on Saturday winning 3 to 2.

Three teams of lady curlers entered the Carlsbad Ladies bonspiel last week. Eva Elliott with W. Clifford, D. Christie and D. Scott won second in the First Event. Bessie Leslie with B. Gateman, L. Barr, and T. Hutton won third in the First Event and Olive Leslie with Lena Brause, Bernice Leslie and Julia Hagedorn won first in the Second Event.

Mr. and Mrs. G. Scott are being congratulated on the birth of a son.

We are pleased to see Bob Bea come home from his hospital, also Mrs. Hohn.

The M.H.S. dance was not a very big success, too much curling, etc. going on, I guess. Better luck next time!

There was no school on Tuesday due to the blizzard conditions.

HERRONTON

Congratulations to Stu Beagle and his team on their major curling victories in the Lethbridge bonspiel of 14 straight wins. They brought home three trophies: Sunbeam mixmasters; pairs of Hudson Bay 4 point blankets; and a silver entré dishes. The same team took in the Calgary bonspiel.

A team consisting of Lorne Malsey, Mack Switzer, Mel Malmberg and Sam Trasov took in the Vulcan bonspiel and won third prize in the Second Event. Another team of Carl Steiner, Danny McNiven, Bill Holoboff and Blake Springer also took in the Vulcan bonspiel.

Bernice Beagle skipped her team of Norma McKeage, Joy Bateman, and Georgie McWilliams to second in the Second Event in the Blackie Ladies' Green bonspiel on Saturday, winning china swans.

Mr. and Mrs. Arnold Fraser,

Carry and Myrna of Langdon spent the weekend at the home of Mr. and Mrs. Mel Malmberg.

Mr. and Mrs. S. Hunt and girls spent the weekend in Lethbridge. Varnita Westersund is a victim

of red measles.

Mr. and Mrs. Laverne Crabb (nee Mary Veregin) of Calgary are receiving congratulations on the birth of a son on Feb. 24.

The fabulous new 1955 De Soto V-8

Exciting POWER at your finger tips!

So convenient is the new dash-mounted Flite Control lever with which you select your driving range at a flick of your finger. So smooth and easy is the PowerFlite automatic transmission which it controls — standard in every De Soto at no extra cost. So wonderfully quick and quiet is the new V-8 power that awaits your bidding. Both De Soto V-8's have dome-shaped combustion chambers—the perfect shape that engineers admire for its efficiency.

Every fleet, flowing line of the new De Soto is a promise of action. Every broad, low contour hints of the power that awaits your command.

And what a powerplant there is under every De Soto hood this year! Choose either the 200-h.p. Fireflite V-8 or the 188-h.p. Fireflite V-8. Each has dome-shaped combustion chambers that wring more power from every drop of fuel. Either will whisk you along quickly and safely, with instant response and effortless ease.

Under the long, low, road-hugging body of the 1955 De Soto there's an all-new chassis that makes every route seem boundard-smooth!

But see for yourself what wonderful comfort there is in the roomy, smartly tailored interior of the new De Soto. Stop at your dealer's just as soon as you can to take the wheel of this glamorous, easy-going traveller.

Champion

At a recent meeting of the newly-formed Alberta Flying Farmers' Association in Letbridge, William Christensen of Champion was one of the farmer-pilots elected to the Board of Directors. The Alberta Association represents about 30 farmer-pilots from Champion, Letbridge, Manyberries, Aden, Edmonton, Coultis, Wrentham, Skiff, Milk River, Arrowwood, Blackie, Rockyford, Cheadle, Foremost and Magrath. The Association is the first of its kind in Canada. It will affiliate with the National Flying Farmers' Association of the United States.

It was deep regret that residents of Champion and district learned of the sudden passing of John Dorch, who until recently lived in the Kirkcaldy district. He was well known in this district, having taken part in some of the social activities among the old-timers since the early days of pioneering.

Mrs. E. A. Howerton was a Calgary visitor on Wednesday of last week at the home of her mother,

Mrs. Lent.

Mrs. Emily Fraser was a Calgary visitor on Wednesday of last week.

Allie Howerton accompanied by E. D. Nowlin battled snow drifts Wednesday night and Thursday morning in order to get Ray Nowlin to the Claresholm hospital. Mr. Nowlin had suffered a severe attack of stomach trouble.

Mrs. George Ellis and Mrs. Elwood Granlin were Calgary visitors several days last week.

Two rinks from the Champion Ladies Curling Club took part in the Ladies bonspiel last week in Carmangay.

Mrs. W. Schuman of Calgary has been a visitor recently at the home of her son-in-law and daughter, Mr. and Mrs. T. O. Erickson.

Mrs. John Francis Beaubier passed away in the Vulcan hospital on Saturday, February 26th, after a lengthy illness. Mrs. Beaubier was in her 83rd year. She moved here with her family in 1907 and settled on a farm east of Champion. Her husband predeceased her in 1942. She leaves to mourn her passing three sons, Harvey, Irwin and Frank, and one daughter, Mrs. John Long, all of Champion. Funeral services were held in the Champion United church with Rev. J. Clarke of Vulcan officiating. Interment was in the family plot in the Champion Cemetery. Snodgrass Funeral Home was in charge of arrangements.

Among the winners in the examination list of the Royal Conservatory of Music in Toronto were: Grade I Piano: Honors, Dianne Lundberg and Donna Mueller. In Grade II Piano: Honors, Patsy Worthington, Pass, Dianne Lundberg.

The following are the winners in the recent Grocery Bingo sponsored by the Canadian Legion in the Legion Hall: M. Yackulic, Betty Stewart (twice), Mrs. Cliff Miller, C. J. Versluys, Mrs. Gordon Davey, Miss Gloria Fraser, Mrs. Davey Causey, Mrs. W. I. Harris.

James Mitchener's epic of the stranger who stormed a virgin island and made it a paradise

Wm. Wolfe, George Smith, and Mrs. Matt Decker won a turkey.

Women's Association

The W. A. held its February meeting in the Church Parlors on Tuesday, the 22nd, with 14 members present. After the creed and the Association's hymn a short business meeting was held. \$5.00 was donated to the Student Christian Movement. An Irish concert is planned for March 18th in the Community Hall.

At the close of the meeting the members enjoyed a Pancake Supper served by Mrs. Fraser, Mrs. Hagg and Mrs. Hames.

Recent visitors at the home of Mr. and Mrs. George Smith were Mr. and Mrs. Leo Goetz of Vancouver.

Mr. and Mrs. Tim Barry, Spencer Nichols and Norman Berger were Edmonton visitors last week to attend Guest weekend at the University.

Mr. and Mrs. George Smith were Calgary visitors on Sunday to visit with their son Douglas.

Boxing

The Champion Boxing Club recently sponsored a very successful card with the following visiting clubs well represented: Cardston, Staveland, Stirling and Taber. Charles Phillips, Hugh River, and Keith Phillips, Cayley, were judges, assisted by Ken Phillips, Cayley, and Delroy Clark of Stirling, who also alternated as referees.

Dave Gardner of Cayley was timekeeper and J. H. Buchan was announcer.

R. "Barney" Barnes was the promoter. Skipper Jones and Murray Ohl-heiser of the local club fought to a draw.

Roy Petersen, Taber, got the nod over Randy Spencer, Cardston, in the 70 lb. class.

Clifford Caldwell, Cardston, fighting at 81 lbs. got a decision over Kirt Oler, 85 lbs. from Cardston.

Peter Allon, Champion, vs. Kenny Nielson, Cardston, fighting in the 105 lb. class, put on a crowd thrilling round of fistcuffs with Allon getting the nod.

Freddie Howard of Staveland got a TKO over Warren Banks, of Vulcan in the 140 lb. class.

Fighting in the 90 lb. class Benny Fyfe, Stirling, decisioned Billy Conrach of Taber.

Harold Palmer of the Champion Club came through in Palmer style gaining a TKO over game Fred Kleinhanes of Staveland.

Wallace Kostelansky, Taber, got the nod over Myron Eaves, Stirling, in the 110 lb. class. These two boys give great promise.

Willy Steve Gedrasick, of Stirling, decisioned a very game Bert Vick of Taber in the 140 lb. class.

R. "Barney" Barnes of the Champion Boxing Club accompanied by fighters and trainers attended the Southern Alberta Amateur Boxing Elimination held in Cardston, February 23rd. The best fight of the eliminations was produced when Peter Allon of the Champion Club met Charley Olson of Coultis in the 105 lb. class. The shifty, hard-hitting Allon gained a decision over a tired but game Olson.

Canada has 115,000 troops on active service but here is the harsh note for taxpayers: It takes 30,000 civil servants to administer these troops.

ALBERTA HONORS
HER PIONEERS
with Senior Citizens Scroll

For their contribution to Alberta's Fifty Golden Years, all pioneers who were in the Province at the time of its establishment in 1905 or before, will be presented with Senior Citizens Scrolls, upon application. Crests on the delicately engraved border of the scroll will depict history motifs of the province, and the script will identify the recipient as a Senior Citizen. The name will be hand written on each scroll by an artist.

Who May Apply:

All persons who have been in residence in the province since the year 1905 or prior, may apply for a Senior Citizen Scroll. A short period of absence does not disqualify you.

How To Apply:

Application must be made for scrolls. Forms will be available soon at Municipal Offices in each district or from the Jubilee Committee. Completed application forms are to be sent to the Committee (address below)

CLOSING DATE for APPLICATIONS—August 1st, 1955

To enable the Jubilee Committee to prepare and distribute the scrolls, your co-operation is requested. Completed applications must be received by August 1, in order that distribution may begin by August 22.

Distribution Of Scrolls

The majority of scrolls will be mailed from the Jubilee office to the applicant, but communities wishing to be responsible for distribution at special presentation ceremonies even prior to August 22, are requested to prepare a list of eligible citizens and ensure that application forms are submitted well in advance of the date scrolls are required.

Honoring Our Pioneers

They, who homesteaded in Alberta at the turn of the century, or who pioneered in industry—they, who saw the birth of a great province and contributed 50 years of progress—it is they who are worthy of a special and personal commendation by the rest of us—their relatives, friends and neighbors. Whatever the date, whenever the presentation of a Senior Citizen Scroll—in a home or at a public gathering, join in our Golden Jubilee Celebrations by adding your personal congratulations.

REDLANDVIEW

Mr. and Mrs. Otto Barby and family of Nobleford were Sunday guests at the home of Mr. and Mrs. Bob Parslow.

Mr. and Mrs. Ronnie Rushfeldt spent the week visiting with Mr. and Mrs. Frank Colson in Calgary. Mr. and Mrs. Joe Rushfeldt were visitors to Cochrane on Monday.

Mr. and Mrs. Chris Nelson of Queenstown spent Sunday visiting at the Emmanuel Rushfeldt home. Thirteen little friends of Gerald Cutforth gathered at the home of Mr. and Mrs. Arthur Cutforth, Feb. 23, the occasion being Gerald's 6th birthday. Games were played, and enjoyed by all. And a very lovely lunch was served.

Mr. and Mrs. J. Ohler from Stavely and R. Ohler were recent visitors at the home of Mr. and Mrs. Arthur Cutforth.

Mr. and Mrs. Arthur Cutforth accompanied by Mr. and Mrs. Bert Methers attended the barn dance and program at Carmangay last Friday evening. Arthur Cutforth attended John Dorch's funeral last Friday in Calgary.

Mrs. A. Giles moved in her new home in Vulcan, on Monday.

EASTWAY

Ladies Social Club

The Eastway Ladies Social Club met at the home of Mrs. S. Cockwill Sr., Feb. 17, with 20 members and two visitors answering the roll.

Mrs. Kathy Malmberg was in the chair assisted by Mrs. Margaret Hill, the assistant secretary.

It was decided the roll call for the next meeting would be answered with each member bringing an item for the bazaar, which will be held in conjunction with a tea on March 19.

The sum of \$11.00 was realized from the last card party. Another "500" card party will be held on March 4 at Union Jack Community Centre. The raffle was won by Mrs. Kathy Malmberg and the contest by Mrs. Margaret Hill.

At the close of the meeting a vote was taken among the members present as to whether church service would be held once or twice monthly. The majority favored twice a month with a morning prayer. The next meeting will be held at the home of Mrs. Clara Tharlie. Lunch was served by the hostess and her helpers.

Mr. and Mrs. F. Wyatt and Merle were Monday visitors with Mr. and Mrs. J. Wyatt of High River.

Mr. and Mrs. George Gooch and family and Mr. and Mrs. P. Laughlin and family were Sunday dinner guests of Mr. and Mrs. R. MacKenzie of Carleton Place.

Allan Fath and Mr. and Mrs. M. McInenly and Mr. and Mrs. W. Malmberg were Friday visitors to Calgary.

Bill Cockwill returned to the home of Mr. and Mrs. R. Onstad on Friday, after a tonsilectomy on Wednesday in the local hospital.

Friends of F. McInenly are sorry to hear he is now a patient in the Holy Cross Hospital, Calgary. Ray Onstad returned to his home Wednesday after a week's stay in the hospital.

Melvin Burgess and Brian spent last week end with Mrs. Melvin Burgess who is at present a guest at the W. Crombie home in Calgary.

Mrs. Doris Sultor and Bernard visited the former's mother Mrs. Rayercraft in Blackie one day last week.

Helen Tharlie and Lois Washburn are now back at school after having measles and mumps, respectively. Philip Washburn is still confined at home with the mumps.

Mr. and Mrs. Bill Holton were Calgary visitors for a few days last week with the former's

mother, Mrs. McInenly and sister, Mrs. Daisy Dawson. Mrs. Johnson and Stvert were Monday visitors with Mrs. Lent in Calgary.

Word was received by phone call by Mrs. W. Burgess that her mother, Mrs. Bennett, had the misfortune to slip and fall breaking her hip while boarding the ferry at Nanaimo for Vancouver. She is now in St. Paul's hospital in Vancouver and is doing as well as can be expected. A speedy recovery is extended to her.

Mrs. W. Burgess spent last weekend with Mrs. Lent in Calgary.

A tea, bake sale, bazaar and coffee bar for men, will be held at Legion Hall, Vulcan, March 19, sponsored by the Eastway Ladies Social Club.

A birthday party was held on Friday in honor of Mrs. Mabel Gooch at her home when the P. Laughlin, A. Hellevang, and R. MacKenzie families came to help celebrate the occasion.

KIRKCALDY

Mrs. Henry Todd returned home on Thursday of last week after visiting relatives at Swallow for the past week.

Mrs. A. W. Maisey entertained eight Past Worthy Matrons of the Champion Eastern Star last Wednesday afternoon.

Sympathy of the district is extended to Henry and Peter Dorch, on the recent death of their brother, John Dorch.

Ray Beckner has obtained employment with the United Grain Growers, and is at present with the company in Vulcan.

An enjoyable evening was spent at the Kirkcaldy Hall last Friday at the regular W. L. card party.

Eight tables of cards were in play. Prizes were won as follows: Bridge: High, Mrs. J. M. Williams and A. J. Maisey; Low, Mrs. Agnes Clarke and Darrel Maisey; Whist: High, Mrs. W. Callaghan and Don MacKay; Low, Mrs. Zoulen, and Mr. Blauen.

The next card party will be held on Friday, March 4, at 8 p.m.

Don Mallory attended the funeral of John Dorch in Calgary last Friday.

A. J. Maisey was a Calgary visitor on Thursday.

BERRYWATER

Miss Gladys Baden spent last week visiting at Calgary and Nanton.

Mrs. Allan Sinclair and Ken

McLean accompanied Ross Smith to Calgary on Monday. Enroute home they had the misfortune of having to spend the night in their car because it became stuck in a snow drift. Luckily they returned home the next morning none the worse for their experience.

Ralph Richardson and Willis McIntyre were business visitors to Calgary last week.

Mr. and Mrs. Lynn Oldfield travelled to Saskatoon recently where Mr. Oldfield was a delegate to the C.C.L.L. On their return trip they visited in Edmonton, and also attended the Guest Weekend at the University, when a most interesting program was presented. They attended a session of the Alberta Legislature while in the capital city.

Mr. and Mrs. Roy McIntyre and Murdo spent a few days at Carleton Place last week and were accompanied home by A. Barby who was their guest for the weekend.

Mr. and Mrs. L. Healy were Champion visitors last week.

FERTILIZER MEANS DOLLARS

The use of commercial fertilizers has increased steadily in Western Canada during the past 25 years. This is due, of course, to the fact that for each dollar a grain grower spends on fertilizer he receives anywhere from two to five dollars in return. During the past several years money has been relatively plentiful. Undoubtedly, dollars will be harder to "come by" in 1955, and many farmers may hesitate before parting with hard cash for something they feel they can "get along without".

Study the Problem. Farmers are well advised to study their fertilizer problems and the first question may well be—Is there information available? The Provincial Departments of Agriculture all supply information on the use of fertilizer and a great deal of field testing and research work lies behind their recommendations.

Facts Favor Fertilizer. As every farmer knows, a certain yield per acre is necessary to pay for the cost of seeding, harvesting, etc. Any yield above this constitutes roughly the profit obtained per acre. Higher yields then mean greater profits. Faster early growth means a better chance to avoid early frost and, in the rust areas, may hasten maturity sufficiently to enable a grain crop to escape serious damage from rust. Furthermore, vigorous early growth does much to choke out weeds. This is particularly important, of course, in the case of wild oats which are not controlled by 2,4-D.

Money may be "tighter" this Spring, but all the evidence available indicates that farmers of Western Canada will receive an excellent dividend on every dollar they spend on fertilizers in 1955.

HIGH RIVER

County of Vulcan No. 2

Notice of Election

PUBLIC NOTICE is hereby given that an election will be held for a councillor for Electoral Division Number One of the County of Vulcan No. 2 for the year 1955, and the election will take place on

Saturday, the 19th day of March, 1955

from nine o'clock in the forenoon to five o'clock in the afternoon.

POLLS have been established at the following places:

VILLAGE OFFICE — CARMANGAY

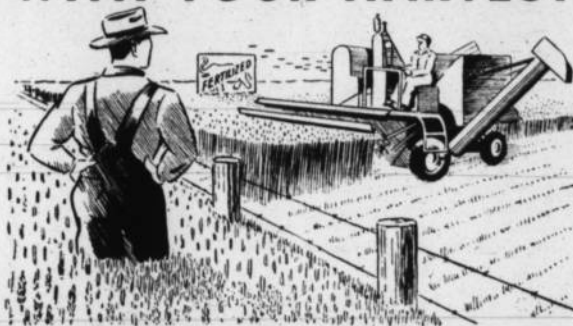

VILLAGE OFFICE — CHAMPION

I will at the County Office, Vulcan, on Wednesday, the 23rd day of March, 1955, at twelve o'clock noon, sum up the votes and declare the result of the election.

Given under my hand at Vulcan, Alberta, this 2nd day of March, 1955.

C. H. ANDREWS,
Returning Officer.

BE DAYS AHEAD WITH YOUR HARVEST

Crops fertilized with Elephant Brand high analysis fertilizers ripen from seven to ten days earlier than those that are not fertilized. Earlier harvests are thereby made possible and the risk of damage to crops by frost and rust are reduced!

Let us tell you about the other advantages that can be yours from fertilizing your crops.

Order your Elephant Brand Fertilizer now! Take delivery early, so that you will have it home before the roads break up in the spring.

MILO

The Milo-Queenstown Lions Club membership drive is to remain open until March 15. Anyone who is actively interested and wishes to join may do so by contacting Harold Phillips, who heads the membership committee, prior to that date.

Betty Dishaw attended Varsity Guest Week end in Edmonton the past weekend. While in the northern city, she was the guest of her sister Joyce.

Congratulations to the Milo rink on their achievements at the Calgary bonspiel.

Milo Home and School met for their February meeting on Thursday, Feb. 23. Due to severe weather the attendance was small. The amount of \$2.00 was voted for the Dr. Kirby Scholarship fund. Several items of new business were tabled for the next meeting when the attendance will be larger. A short report was given on "Council" questions and delegates attending the County Institute on Saturday, March 19 will carry the discussion there. A special feature of the program was the speech given by Eva Jacobson. Her subject, which was of excellent choice was "What Education Means to Me." Eva is the United Nations speech contestant from Milo. She addressed the Rebekah Lodge last Tuesday and plans to give her speech to the Lions Club on Wednesday. We certainly wish her all success possible when she gives her final address at Blackie on Friday, March 4. Those of the district who will be able to go to Blackie that evening should do so, for young candidates undertaking this competition certainly need all the home support possible.

On the program at Home and School, in conjunction with Founder's Day was a short skit on aims and objectives of home and school entitled "The Interpreter." Those taking part were Lorna Umschied, Evelyn Elder, Violet Carson and Peggy Clarke.

The next general meeting will be on Thursday, March 24. We hope the weather will be nice that evening for on the program is a topic of concern to all — "Curriculum."

On the program at Home and School, in conjunction with Founder's Day was a short skit on aims and objectives of home and school entitled "The Interpreter." Those taking part were Lorna Umschied, Evelyn Elder, Violet Carson and Peggy Clarke.

will hold a St. Patrick's Tea and Bake Sale in the church basement on Friday, March 18, at 3:00 p.m.

The W. A. of the United church held their regular meeting in the church basement last week. Plans were made for the St. Patrick's Tea in March Hostesses Mrs. W. Blackie and Mrs. F. House served a delicious lunch following the meeting.

Amos Ingraham is a patient in Vulcan hospital. We wish him a speedy recovery.

Miss Marjane Beagle of Calgary spent the weekend visiting at her home here.

Mrs. Harold Williams is in Calgary taking treatments on her arm and while there is staying at the home of Mr. and Mrs. L. Tweedle.

Mr. and Mrs. John Wiebe of Lomond were Friday visitors at the home of Mr. and Mrs. Hurley Williams.

Faye Bannister has returned to her home after spending last week in the hospital. JoAnn Bannister is now in the Vulcan hospital and we wish her a speedy recovery.

Mrs. E. Rath and family are spending a few weeks visiting with her parents, Mr. and Mrs. H. Haines of Turner Valley.

Mrs. C. Armstrong, provincial president of the FWUA spoke to members of the local groups here on Monday, Feb. 28th, and her talk was very much enjoyed. Following this, lunch was served.

Mr. and Mrs. E. Graf and family of Calgary were recent visitors at the home of Mr. and Mrs. D. Grant.

ENSIGN

Mrs. Lester Penstock and Peggy spent last week at the home of her parents, Mr. and Mrs. Dyer of Calgary.

Gordon Kennedy and Penny Howlett curled in the High School bonspiel in Blackie on Saturday, winning fourth prize in the First Event.

Mr. and Mrs. David Fisher of Olds were visitors in the district on Monday.

Erwin Dugdale, who spent a few days with his family in Ensign, has returned to his work at Edison with the Gulf Oil Co.

Mrs. V. Hagen lost her wrist watch at the curling rink on Monday night. Would the finder please return it.

Donna Jensen of Brant spent the weekend with Janice Hunter.

The High School students curled in Turner Valley on Sunday. Gordon Kennedy was again lucky, bringing home third prize.

Fay Larsen spent Tuesday night with Joan Messeri in the Nanton district, the occasion of Joan's 9th birthday.

MAJORVILLE

The Lutheran Ladies A. & W. will meet at the home of Mrs. Chester Thompson on Wednesday afternoon, March 9th.

Mrs. Freda Prentice left on Sunday for a business trip to Havre, Montana.

Mr. and Mrs. Stanley Godkin are being congratulated on the birth of a son on Monday in the Bassano hospital. That's three sons for Stanleys.

Mr. and Mrs. Bartsch and Mr. and Mrs. Hugh Winch were Sunday guests at the home of Mr. and Mrs. Lewis Greaves.

Winter finally caught up with us when a blizzard arrived late on Monday evening and left quite a bit of snow behind. The mercury dropped to below zero with the storm and stayed there, and to almost thirty below some days nearly all week. We can't or shouldn't complain for we have had a nice winter so far and getting around has been no problem.

Billie and Lee Francis were business visitors to Calgary last week. Hugh Winch accompanied Gordon Boyd to Calgary on Monday.

Chrysler Corporation Completes Expansion

Chrysler Corporation of Canada, Limited, announced recently that the company's output of passenger cars in January was the highest for any single month in the 30 years that the company has been established in Canada, being more than 2,100 units per week. This represents an increase of better than 60 percent over the peak maximum output prior to last December.

In that month the corporation began to employ an additional 2500 production workers to staff an additional shift operation. This additional shift was made possible by the completion of the major part of a 50-million-dollar expansion program entailing the doubling in size of both the passenger-car and the engine plants.

Canada imported 30,151 gallons of sparkling and 1,080,116 gallons of non-sparkling wines in the 12 months ended March 31, 1954.

Reath-Wurtz Wedding Rites

Saturday afternoon, Feb. 19th, marriage vows were exchanged at the Apostolic Lighthouse Tabernacle Church at Grand Prairie by Violet Reta, daughter of Mrs. Katherine Wurtz of Clarmont, Alta., and Frederick Lawrence G. Reath, son of Mr. and Mrs. Joseph Reath of Vulcan. Rev. C. C. Upshall officiated.

Given in marriage by her oldest brother Elton, the bride wore a floor length gown of white satin, topped with nylon net and lace, featuring a Queen Anne collar. Her full length veil of silk illusion was held in place by a coronet trimmed with beads and rhinestones and she carried a bouquet of pink carnations. Her only jewelry was a rhinestone necklace a gift of the groom.

Bridesmaids, Miss Melva Wurtz, sister of the bride, and Miss Edith sister of the groom, wore gowns of net over yellow nylon and net over pink taffeta respectively. They wore matching head pieces in yellow and pink respectively and carried bouquets of white, and pink carnations. Little Judy Olson as flower girl wore a full length gown of yellow nylon. Her matching veil was held in place by a coronet of yellow primroses. She carried a bouquet of pink roses.

Bestmen were William Reath, brother of the groom, and Robert

Wurtz, brother of the bride. Ushers were Eldon and Robert Wurtz. The bride's mother wore a dress of navy blue crepe with pink accessories.

During the signing of the register Miss Ruth Upshall sang a solo. Following the ceremony a reception for 60 guests was held in the church. The room was decorated with pink and white wedding bells. The bride's table was centred with a three-tiered wedding cake made by the bride's mother and decorated by the bride's sister Melva.

For a honeymoon to the States the bride changed to a blue taffeta dress with navy accessories. Following their honeymoon the bride and groom will live on the groom's farm near Vulcan.

Brief Items of Local Interest

Miss Joan Thomas of Rocky Mountain House was a recent visitor at the home of her parents, Mr. and Mrs. Del Thomas, Mr. and Mrs. Frank Johnson and Bobbie of Lethbridge were also recent guests at the Thomas home.

Mr. and Mrs. O. Brownlee and Donna of Foremost spent Sunday and Monday visiting relatives in Vulcan and district.

Friends of Earl Deal will regret to learn he has been confined to the local hospital.

Two ladies curling rinks from Vulcan are participating in the bonspiel at Lethbridge this week.

Ed. Benoit of Calgary conducted services at the local Church of Christ, on Sunday.

Mr. and Mrs. Pete Bowie attended the wedding of their grandson, Howard Stafford, to Miss Doreen Thorn, at Wetaskiwin, on February 19.

Mrs. Frieda McRoberts accompanied Mr. and Mrs. Lorne Healy to Edmonton, the first of the week.

Mr. and Mrs. Dan Purdy of Calgary were business visitors here last Saturday.

B. J. S. Sharp, Optometrist, will be at Mitchell's Drug Store, Vulcan on Saturday, March 5th, from 10 a.m. to 5 p.m.

Mrs. Lyle Sales, Lindy and Larry of Calgary are spending the week at the Alf Sales home.

Sympathy is extended to Tom and Bill Houlton, on the recent death of their mother, Mrs. Ruth Houlton, at the age of 84, at Thamesford, Ont.

Mrs. Lorcen Horne spent last week with relatives in Calgary.

Jerry LaRoche attended Guest weekend at the University of Alberta, Saturday and Sunday.

Bruce Marshall and Guy Marshall of Moosemin, Sask., were guests last week, at the home of Mrs. Agnes McKay.

Don't forget to have your donations ready when the Red Cross canvasser calls at your house next week.

Mrs. John Mitchell, Mrs. C. R. Robson and Miss Lorna Robson were business visitors to Calgary on Tuesday.

A number of friends of the late John Dorch journeyed to Calgary on Friday to attend funeral rites for him.

Mr. and Mrs. J. C. MacMillan attended the wedding of their niece, Miss Audrey Ellis, to Frank Miklos, on Friday Feb. 25th, in Trinity United Church in Calgary. They also were present at the reception which followed the ceremony, at the Al San Club, and to which 115 guests were invited. An interesting sidelight of this wedding for the MacMillans was that Rev. Robert McGowan, who performed the marriage ceremony, also officiated at their wedding 32 years ago.

David Mitchell, who is attending the University of Alberta this year, spent the weekend at his home here.

Mr. and Mrs. Ray Ritland of Calgary have been guests at the Lou Ritland home for a few days.

Ivan Knowles and Trev. Lancaster of the staff of the local branch of Canadian Bank of Commerce spent the weekend at Lethbridge.

Friends of Mrs. Roy Walker will regret to learn she is confined to the local hospital.

Miss Marlene Dobbs of Lethbridge visited with her grandmother, Mrs. Margaret Dobbs over the weekend.

The Vulcan County curling team, consisting of Clarence Green, Ed. Carlson, Don McNiven and Jack Moffitt, journeyed to Fort Macleod on Thursday, where they competed in the Foothills Municipal Curling bonspiel and returned with the Ken Watson Memorial Trophy, donated by the Armeo Drainage Co.

Mrs. Stan Fletcher, who was a recent hospital patient, has now returned home.

Congratulations are being extended to Mr. and Mrs. Richard Hammer on the birth of a son, Tuesday, February 22, at the local hospital.

Mrs. Robert Wilson entertained Friday at a birthday supper for 12 guests, in honor of her husband's 76th birthday. A beautifully decorated cake, made by Mrs. F. Nolte centred the table, and later a most pleasant social evening was enjoyed. All joined in wishing Mr. Wilson many happy returns of the day.

A skating party will be held at the arena Saturday night, March 5. Refreshments will be served and everyone who skates is welcome.

The March meeting of the Anglican Ladies Guild will be held at the home of Mrs. Albert Collier on March 7 at 8 p.m.

A. J. Clayton of High River was admitted to the High River Hospital on Feb. 8 and was taken into Calgary, Thursday, to the clinic.

Sgt. and Mrs. Bob Martin spent the weekend with the latter's parents, Mr. and Mrs. John Grant. Sgt. Martin has now left for a two months' course in Ontario and Mrs. Martin will remain with her parents during that time.

Lomond Couple Wed At Vulcan

A candle light wedding of interest to Lomond took place on Feb. 16, a 6:30 p.m. at the Church of Christ in Vulcan, when Kathleen Doris, eldest daughter of Mr. and Mrs. M. E. Andrus, of Lomond, became the bride of John Alexander Williamson, the eldest son of Mr. and Mrs. G. Williamson of Lomond.

The bride was given in marriage by her father and was gownned in a white floor length model, featuring a full skirt with nylon net over satin. A lace swallow-tail jacket was styled with long sleeves with a tiny pointed collar. A sparkling rhinestone necklet was her only jewellery a gift of the groom.

Her chapel length veil of illusion fell from a heart-shaped pearl tiara. She carried a bouquet of yellow rose buds.

The bridesmaids, Miss Ruth Andrus and Miss Evelyn Andrus, sister of the bride, were gownned respectively in pink and blue cocktail dresses, with long sleeved jackets, nylon net over satin skirts, with matching shoulder length veils. They carried white Bibles mounted with red roses.

The groom's attendants were Earl Williamson, brother of the groom, and Gordon Andrus, brother of the bride. Ushering the guests were Henry Domolewski, and Peter Degenstein.

Rev. J. Chapman officiated. A Fraser presided at the piano and during the signing of the register Miss Evelyn Andrus sang "Eternally".

For the wedding of her daughter Mrs. Andrus wore a black and white shepherd check shark-skin dress with black accessories. The groom's mother wore a black and white frock with black accessories. Both wore corsages of red roses.

Following the ceremony a reception for 65 guests was held in the church banquet room. A three-tiered wedding cake flanked by spring bouquets centred the bride's table. Mrs. J. Chapman was in charge of the guest book. Rev. J. Chapman proposed a toast to the bride to which the groom responded.

For the evening the bride donned a navy blue tailored suit with white accessories and a corsage of red roses. Following a honeymoon to the United States and other points the bridal couple will reside in the Lomond district.

Dr. G. H. Gibb, Dentist

wishes to announce that his office will open for making of appointments only on MONDAYS, as he will be operating in Barons on that day.

New and improved REXALL

SUPER PLENAMINS

9 VITAMINS plus 12 MINERALS

SUPER PLENAMINS contain 9 vitamins including Vitamin B12 plus liver, plus 12 important minerals including calcium, phosphorus, iron and iodine. One tablet gives you more than two capsules provided before, the result of Rexall's exclusive new process that maintains the potency of these food elements even when combined in one tablet.

A SECRET PROCESS of coating the ingredients permits the blending of vitamins and minerals which formerly could not be combined successfully.

ONLY REXALL scientists produce the new, one-tablet Super Plenamins. Only Rexall Drug Stores sell Super Plenamins.

NOW — one Daily Tablet gives you more than two capsules provided before.
